Dr. Art Coren  
President  
Quest University  
MB 160, 39480 Queens Way  
Squamish, BC V8B 0Z5

Dear Dr. Coren:

I am writing with regards to Quest University's consent to offer the Bachelor of Arts and Science degree under the *Degree Authorization Act*.

The Degree Quality Assessment Board reviewed the request from Quest University for a one-year extension of consent at its meeting in December 2024 and recommended that consent be extended.

I agree with this recommendation and am extending the consent to offer the Bachelor of Arts and Science in British Columbia until May 18, 2026. All terms and conditions of consent continue to apply.

If you have any questions, please contact the Degree Quality Assessment Board Secretariat ([DQABsecretariat@gov.bc.ca](mailto:DQABsecretariat@gov.bc.ca)).

Sincerely,

A handwritten signature in black ink, appearing to read 'Anne Kang'.

Honourable Anne Kang  
Minister
